LHE Bioscience accepts payment with VISA Card, Master Card, Check, and PayPal.

SHIPPING

LHE bioscience, Inc. uses major carriers such as FedEx, UPS and USPS for domestic and international shipping. A specific shipping route may be requested by the customers. Shipping to residential or PO box is unavailable.

CLAIMS for LOST or DAMAGED SHIPMENTS

Buyers inspect all packages immediately upon receipt and contact LHE Bioscience for any damage, shortage or defect as soon as possible. All risks of loss or damage in transit shall be borne by buyers.

RETURNS

In case it is necessary to return any goods, buyers should contact LHE Bioscience to authorize for return.

Some materials cannot be returned including special order materials, leaking or damaged chemicals, items with missing or obliterated labels, opened materials. In those cases, returns will not be accepted by LHE Bioscience unless prior arrangements have been made.

USES AF OUR PRODUCTS

LHE Bioscience products are intended for R&D, and related applications. Buyers should use them in accordance with all applicable government regulations.

NON-DISCOLSURE AGREEMENT (NDA)

For any service(s) to be provided by LHE bioscience, an NDA will be signed between us and our client to insure that all information involved in the project(s) be kept confidential.

TECHNICAL DATA AND CONDITIONS OF SALE

The physical properties and other data contained of our products are obtained from our own analyses and from literature references. LHE Bioscience assumes no responsibility for the accuracy or completeness of the literature data.

LHE Bioscience accepts buyer's orders solely upon the terms and conditions stated herein. Acceptance of buyer's orders is expressly conditional on buyer's acceptance of these terms and conditions.
